Trevor,

We are in the process of transferring all OnHwy alt fuel conversions to our office in Ann Arbor. Your new certification rep will be Dr. Fakhri Hamady. This will be a process so ensure that you keep Fakhri in all correspondence.

We will schedule an internal review of your submitted documents in the order received. We are currently on a 30 – 40 day review schedule if all runs smoothly.

Thanks,

Steven D. DeBord

Steven,

I had our guy Morgan handle the revision changes on the application. Please let me know if you see anything else that we need . Once again, I really appreciate your help. Its been a long process and I hope to wrap this up soon.

Let me know what you think of the application.
